**Tutoring:**
Do you like to work with children? Assist our teachers with after school tutoring in Math or English Language Arts. Work one on one with students, or in small groups. Help them to succeed in school and gain self confidence!

**Events:**
We host numerous events throughout the year, including our annual Spring Community Pow Wow. Help is needed in planning and preparation as well as the day of the events. There are many different areas and levels of participation.

**Cultural Arts:**
Much help is needed in our cultural arts department, from making dream catchers to assisting with culture classes. If you like working with your hands, this is the job for you!
